Notes:

² Sample tube damage was reported for the BTCX-01 sample retrieved on December 29, 2025. Therefore, sample results were not available and excluded from the respective period's ΔC calculation.

³ Sample tube damage was reported for the BTCX-02A sample retrieved on February 23, 2026. Therefore, sample results were not available and excluded from the respective period's ΔC calculation.

⁶ Sample tube damage was reported for the BTCX-04 sample retrieved on March 9, 2026. Therefore, sample results were not available and excluded from the respective period's ΔC calculation.

Annual Average ΔC* 4.1

*Annual average ΔC is a rolling average based on the 26 most recent 14-Day sampling periods.

Notes:

⁷ Sample tube damage was reported for the BTCX-31A sample retrieved on August 10, 2026. Therefore, sample results were not available and excluded from the respective period's ΔC calculation.
